Harmon C. McAllister, Ph.D.
Associate Research Director
The Council for Tobacco Research--
U.S.A., Inc.
900 Third Avenue
New York, NY 10022

Dear Dr. McAllister:

I am interested in submitting a request for research support to The Council For Tobacco Research. My project would be a clinical study of adrenal function in menopausal smokers. This would be the first known study in which dynamic testing of the adrenal glands in these subjects would be performed. The information obtained may provide important knowledge about the possible endocrinological mechanisms involved in the lower rates of endometrial cancer and endometriosis in smokers.

Please send me information regarding the forms, the requirements and the deadlines for submitting a proposal to you.

Thank you in advance for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "J.Y." followed by a stylized surname.
